

HONG KONG QUALITY MANAGEMENT ASSOCIATION Registered Professional Quality Engineer (RPQE) Registration Form

Guidance

The requirements for becoming a Registered Professional Quality Engineer are demanding and completing this form will take some time. If you have any questions or queries, please contact the HKQMA membership team.

Applications for RPQE

Complete only the Member part of this form if you are applying for Registration Scheme on the experiential route or transferring from Associate or Student to Chartered Member on the experiential route.

Coverage of the requirements

There are 6 sections and a number of elements under each section. You should demonstrate knowledge in all 6 sections, however, we recognize that you will not have extensive knowledge in every element and indeed that you will have more expertise in certain elements and sections than others. Therefore, your submission should demonstrate that you have addressed a significant part of each section as much as you can.

Referencing your evidence

For each element you need to provide a description of how you meet the requirement and in the 'Your evidence' box, where possible and appropriate, provide documentary evidence. Please number your evidence and note the number in your application form and review reports.

Verification

Your completed application form together with all necessary supporting documents should be reviewed, verified and signed by your supporters.

Important Notes to Applicants

Please read carefully the *"Application Guide for Registered Professional Quality Engineer"* BEFORE completing this application form.

Upon submission, this Application Form and all other attached documents become part of CIC records and are not returnable regardless of the assessment result.

Entries in Sections 2 to 6 of this form should be made in reverse order of time, i.e. starting with the most recent.
